A V KANTHAMMA COLLEGE FOR WOMEN, HASSAN
REPORT 2025-2026

Date	25-08-2025
Department/Association/Committee:	**BCA Association**
Name of the Programme (Lecture/Speech/Competition etc..):	**Cloud Computing**
Resource Person/Chief Guest	**Mr. Mayur A.B and Mr. Likith U.S, Founders – Bitswiper**
Topic	**One Day Workshop**

Gist of the Programme: The Department of Computer Applications, in collaboration with the BCA Association, organized a **Workshop on Cloud Computing** at the **AVK Seminar Hall**, A.V. Kanthamma College for Women, Hassan.

The workshop offered an engaging and insightful exploration into the world of **Cloud Computing**, emphasizing its growing importance in the modern IT landscape. The session began with an introduction to the core concepts of cloud technology, including virtualization, scalability, and cloud service models such as IaaS, PaaS, and SaaS.

The resource persons, **Mr. Mayur A.B** and **Mr. Likith U.S**, Founders of **Bitswiper**, shared their expertise and professional experiences, providing valuable insights into how cloud computing is revolutionizing businesses and software development. Their talk also focused on the integration of cloud technology with AI and data analytics.

A hands-on segment followed, where students gained practical exposure to cloud-based platforms and tools. They learned how to deploy applications, manage virtual resources, and understand the dynamic allocation of computing power in the cloud environment. Students participated enthusiastically, making the session lively and interactive.

The workshop concluded with encouraging feedback from students and faculty. It effectively bridged theoretical understanding with real-world applications, inspiring participants to further explore the potential of cloud technologies.

Program Outcome:
The workshop was highly informative and interactive, enhancing students' knowledge of Cloud Computing concepts and their practical implementation. It inspired learners to stay updated with evolving technologies and apply their skills in innovative ways.

No. of Participants: Faculties and all BCA Students.

Presided By	Dr. S C Yatheeshwara, Principal, AVKC, Hassan.

REPORT 2025-2026

Date	14-08-2025
Department/Association/Committee:	**BCA Association**
Name of the Programme (Lecture/Speech/Competition etc..):	**LEARNING WITHOUT LIMITS**
Resource Person/Chief Guest	**Miss. Vidya B S**
Topic	Alumni Interaction Program

Gist of the Programme: The Department of Computer Applications, A.V. Kanthamma College for Women, Hassan, organized an Alumni Interaction Program titled "Learning Without Limits – An Insight into Studying Abroad" on 14th August 2025 at 3:00 p.m. in the Seminar Hall.

The guest speaker for the session was Ms. Vidya B.S., an alumna of A.V.K. College, who is currently pursuing her Master of Engineering in South Korea. The program was presided over by Dr. Yateeshwara, Principal, A.V.K. College, Hassan. Dr. Papaiah, IQAC Coordinator, and Smt. H.N. Shylaja, Head, Department of Computer Applications, staff and students of BCA graced the occasion with their presence.

During the session, Ms. Vidya shared her inspiring journey of pursuing higher education abroad. She explained how she convinced her parents, who were initially hesitant about her studying overseas, and described the process of applying for an education loan and the challenges she faced in obtaining it. She also detailed the steps involved in preparing for and clearing the required tests and the procedures for applying to foreign universities.

Program Outcome:
The guest talk provided students with valuable insights into the opportunities and challenges of studying abroad. The interactive session motivated students to set clear goals, plan effectively, and pursue their dreams with determination. The event was both informative and encouraging, leaving a lasting impression on the students

No. of Participants: Faculties and all BCA Students.

REPORT 2025-2026

Date	**29-09-2025**
Department/Association/Committee:	**BCA Association**
Name of the Programme (Lecture/Speech/Competition etc..):	**Fusion Minds – A Skill Development Activity**
Resource Person/Chief Guest	**Prof. Balakrishna M., HOD, Department of Computer Science,Government First Grade College for Women, Hassan.**
Topic	**One day event**

Gist of the Programme: The Department of Computer Applications, in collaboration with the **BCA Association**, organized *"**Fusion Minds – A Skill Development Activity**"* at the **AVK Seminar Hall** on **29th September 2025**.

The event aimed to enhance students' creativity, technical skills, and teamwork through a series of engaging and skill-oriented activities. The programme was inaugurated by **Prof. Balakrishna M.**, HOD, Department of Computer Science, GFGCW, Hassan, who addressed the gathering on the importance of skill development in shaping future professionals. **Dr. S. C. Yatheeshwara**, Principal, A.V.K. College, presided over the function and motivated the participants to make the best use of such opportunities.

A variety of competitive and interactive events were conducted under *Fusion Minds*, including **Humans of AVK, Faces of AVK, Battle of Wits, Toastmaster, Art beat (Drawing Competition), Lazy Dance, Quiz, Mock Press, Treasure Hunt,** and **Tech Antakshari**. Students from the BCA Department participated enthusiastically, showcasing their talents and innovative thinking.

Program Outcome:
The *Fusion Minds* activity successfully provided a platform for students to develop essential skills such as problem-solving, communication, collaboration, and creative expression. It encouraged active participation and fostered a spirit of teamwork and learning beyond the classroom.

No. of Participants: All students of BCA and faculties.

Presided By	Dr. S C Yatheeshwara, Principal, AVKC, Hassan.

REPORT 2025-2026

Date	**19-01-2026 to 10-02-2026**
Department/Association/Committee:	**BCA Association**
Name of the Programme (Lecture/Speech/Competition etc..):	**Internship Program**
Resource Person/Chief Guest	**Founders from BITSWIPER and TEKEQ India Private Limited Hassan.**
Topic	**UI/UX Internship & practical Industry Exposure**

Gist of the Programme: The Department of Computer Applications, in collaboration with Bitswiper and TEKEQ India Private Limited, organized a UI/UX Internship Program for the BCA students of AVK College, Hassan

Bitswiper is a technology solutions provider specializing in prototype development, custom software, and user-centric design. TEKEQ India Private Limited is an engineering firm established in 2017, known for its precision in design, fabrication, and installation solutions.

The program aimed to introduce students to professional UI/UX design practices, bridge the gap between academic learning and industry standards, and provide hands-on experience through real-time tasks. During the internship, students engaged in UI/UX design fundamentals, wireframing, prototyping, real-time project work, user research, usability concepts, and portfolio-oriented design assignments.

Program Outcome:

The UI/UX Internship Program successfully provided a platform for students to enhance their practical and design thinking skills. Participants completed real-world projects, developed personal design portfolios, gained a clearer understanding of industry workflows, and strengthened their career readiness in design and technology.

No. of Participants: All students of III BCA and faculties.

Presided By	Dr. S C Yatheeshwara, Principal, AVKC, Hassan.
