SCIENCE EXHIBITION REPORT 2025-2026

Date	*28.02.2026*
Department/Association/Committee	***Department of Botany***
Name of the Programme	*National Science Day Celebration- Science Exhibition & Model Presentation*

Gist of the Programme: *The Department of Botany had organized Science Exhibition & Model Presentation by the students on the occasion of National Science Day on* ***28th February 2026****. The event was inaugurated by the Principal Dr. S C Yatheeshwara, Judges of the event and faculties of the institution accompanied him. Department was decorated with scientific posters and botanical exhibits.*

Students from ***I, II and III BSc Botany*** *actively participated and displayed models and charts of Plant Evolution, Stomata model, DNA extraction, Herbarium sheets, Oxygen evolution during Photosynthesis by using Hydrila plant & explained about importance plant diseases that effects plants by using specimens.*

Program Outcome *Faculty members appreciated the creativity and scientific spirit of the students and awarded Prizes to students. Visitors gained practical insights into science applications. The National Science Day model presentation by students was a* ***grand success****, fostering scientific curiosity and teamwork. It reflected the students' dedication to promoting science and highlighted the relevance of Botany in sustainable development. A V K P U college students and students from other streams visited department with curiocity.*

No. of Participants: *40 Students*

Presence	*Principal, Faculties of the college, B.Sc Life Science Students, PUC Students from institution and Faculties of Life Science Department*

A V KANTHAMMA COLLEGE FOR WOMEN, HASSAN

(Under the auspices of Malnad Technical Education Society, Hassan
Affiliated to Hassan University)

Department of Botany

NATIONAL SCIENCE DAY, FEB -2026

Science Exhibition & Model Presentation

An IQAC initiative

Date : 28 - 02 - 2026 **Venue : Department of Botany**
Time: 11am

INAUGURATION : **Dr. S. C. Yatheeshwara, Principal**
A V K College for Women, Hassan.

JUDGES : **Dr. Papaiah**
IQAC Co-ordinator, HOD of Commerce

: **Dr. Hemalatha C S**
IQAC Co-coordinator, Physical Education Director

PRESENTIALS : **Shwetha H M**
Dr Mangala K J
Department of Botany

All are cordially invited

VISIT TO RANGANATTITU BIRD SANCTURY 2025-2026

Date	***06.10.2025***
Department/Association/Committee	***Department of Botony***
Name of the Programme	***Visit to Bellasinda, Nature Reserve, Channarayapatana, Hassan***
The Department of Botany organized a visit to Belasinda Park for II and III BSc students, focusing on plant taxonomy as part of their curriculum. During the visit, students studied various plant species found in the park, observing their morphological characteristics to classify and identify them according to taxonomic principles. They used botanical keys, field guides, and reference texts to understand the classification hierarchy, including families, genera, and species. This hands-on experience enabled students to appreciate plant diversity, the significance of taxonomy in botanical studies, and its role in biodiversity conservation. The visit provided an educational opportunity to connect theoretical knowledge with real-world plant identification and classification. Nearly 30 species of plants were recorded and documented, enhancing the students' skills in taxonomy and field research	
Beneficiaries	***All the II and III BSc students***
